

opened Monday of last week, with quite a full attendance.

A case of mumps in the family of Mr. J. D. Whiteside, has prevented his children from attending school this week.

Mr. John M. Morrow, who has been quite sick with grippe is improving.

Mr. R. L. Scoogins has accepted the position of superintendent of the chain gang, and has already entered upon the discharge of that duty.

The Wilkerson school, of which Mr. J. Mason Wilkerson is principal, has just it necessary to employ an assistant, owing to the increased attendance.

Miss Olla Wilkerson is assisting her brother at present.

Although cotton has been quite a fancy price lately, we hardly think that our farmers will fall to make another effort to make a good crop.

The fine weather of the last week has afforded them an opportunity to prepare some of the soil by deep plowing.

Some oats are being sown. A few days ago, Mr. J. T. Wilkerson had seven plows running all day plowing in oats.

Mr. Jesse Kirby of Wilkinsville, has accepted the position of bookkeeper for Mr. C. S. Moorhead.

Misses Maggie and Maud Rhine of Gastonia, N. C., visited the family of their uncle, Mr. Moses White last week.

Miss Frances Patton, who is teaching the Etta Jane school near Wilkinsville, and Miss Minnie Fowler, visited Misses Belle and Maud Smith last week.

Miss Sallie Wylie is visiting in Chester, in the home of her sister, Mrs. T. M. Whisnant.

Dr. Thomas Leslie, who has held a position as pharmacist at Inman, S. C., for the past year, is visiting his sisters, Misses Cleo and Mary Leslie.

Three new pastors preached their first sermons to their respective congregations last Sunday, viz: Rev. F. M. Satterwhite at the H. J. Foret Baptist church, and Rev. Teal of Foret City, N. C., at Unity, and the pastor of which he has accepted the pastorate.

The family of Mr. W. A. Thomas, who lives two and a half miles south of here, has been quite severely afflicted recently. Two of the children aged three and five years have had pneumonia. However, both are better at this writing.

Mr. R. R. Gamble of Resemmer City, N. C., was down here to visit relatives near Broad river last week.

Hickory Grove, January 19.—Mr. W. S. Wilkerson is in town superintending the work of a beautiful twelve room building, which he is having constructed. The building will be furnished with all modern conveniences.

His sewerage system is very unique. He has arranged that the water from his bath room and other departments, wherein there will be water closets, will have pipes leading to a terra cotta drain, which will carry the water a considerable distance from the residence.

The Broad River Township Teacher's association held its first meeting at the hotel at Sharon. All the teachers were present except one. There was no business of importance transacted except that they decided to meet hereafter at Hickory Grove, as it is nearest the center of the township.

Mrs. W. M. Whisnant entertained a number of guests with a turkey dinner at Hickory Grove last Friday.

Miss Minnie Whiteside, the daughter of Mr. Jeff Whiteside has been ill for the past few days, however, family physician states that she is rapidly recuperating at present. It is hoped by her host of friends, that she will be herself again soon.

Mr. W. T. Slaughter has left for the lower part of the state, where he will spend some time in organizing and visiting camps of the W. O. W.

To the Patrons.
Of the whole milk trade of Bratton Farm: The management proposes to continue the trade to the best of his ability and will endeavor to please the most exacting customers. Feeling confident that the superior intelligence of the trade will enable them to appreciate wholesome and sanitary milk, we feel that the relation between the trade and the management will be most pleasant. The whole milk is guaranteed to contain an average of 5 per cent of butterfat and the cream to contain 20 per cent of butterfat. The management is desirous of all being treated courteously and fairly, and any irregularities or mistakes will be corrected if brought to the attention of the management. Any unsold milk, in sealed bottles, Bratton Farm, Bun Brydges, Manager.

IT PAYS YOU
TO BE CAREFUL—PARTICULARLY IS THIS SO WITH THE HANDLING OF YOUR MONEY — — —

No man is a careful man who carries his money rammed down in his pocket or leaves it in the home.

It is a mistaken idea to think that you can only pay your bills or debts with the real cash.

There have been thousands of dollars lost by having to pay the same bill the second time, for the reason that they have been paid with the actual money; when on the other hand if the money had been placed in the bank and all bills paid by check, the loss would not have happened.

Outside of the protection you have by placing your funds in this bank, there is a tone added to your transaction if You Pay the Amount With a Check.

Be careful with your money.
Place it on Deposit in Our Bank. And Do It NOW.

A Word to Parents.

As habits are formed and the character is largely determined during the early years of childhood, it is very important that at this time, when the mind is most receptive, parents should teach their children to save, and develop in them an appreciation of the real value of money, and the folly of careless spending.

Many of our patrons have opened accounts for their children, and have instructed them in the intelligent use of a bank.

Have YOU done as much for your children? It takes a very little to do it: and the benefit of it is so lasting!

\$1.00 will start an account; and we will pay 4 Per Cent Interest, Compounded Quarterly.
